

Novartis Canada Privacy Hub

Notice of Update to the Privacy Notice

Effective Date: July 15 2025

We have updated our General Privacy Notice for Business Partners to enhance transparency and clarity. These changes aim to provide more detail on how we process your personal information, while also making language adjustments.

Welcome to the Novartis Canada Privacy Hub.

On this site you can read our privacy notices, get in contact with us, and learn about our approach and commitment to data privacy.

Our approach and commitment to data privacy

Everyone expects their personal information to remain confidential. This includes anything that can identify them - name, work and home address, family information, employment or financial details, or more sensitive health information. We strongly condemn the disclosure of any information that could lead to any form of discrimination, as well as the use of identifiable genetic data without informed consent.

We seek to adhere to all privacy laws and enforce clear Novartis Data Privacy Principles, which also apply to genetic data. Novartis data privacy program includes a global organization and infrastructure as well as procedures and training to support Canadian activities and help our efforts to ensure compliance.

Privacy notices

We invite you to carefully read our privacy notices, which set out how we process your personal information and explain your rights and our obligations.

These privacy notices address your interactions with Novartis Pharmaceuticals Canada Inc. For more information about Novartis global data privacy program, please visit the [Novartis Privacy Hub](#).
